

COMPANY PROFILE

1 Introduction

M/s. Aura Industrial Equipment and Projects Private Limited (AIEPL) has been promoted by an entrepreneur with over two decades of experience in various engineering industries. The Company was established in 2013 and commercial operations started in 2014. We AIEPL aim to undertake small and mid-size Projects, supply critical fabricated equipment like Tanks, Vessels, Piping and Skid mounted packages, Dosing system for Water, Oil & Gas, Power sector, Chemical Process, Pulp & Paper industries. The Organization is successfully climbing the ladders of success under the leadership of Managing Director Mr. P. Krishnamurthy, a Post Graduate from IIT Madras.

2 About Us

We have factory equipped with necessary plant and machinery in Vanagaram, Chennai. This facility is backed up by well trained and qualified Engineers, Operators who can undertake the fabrication of any complex equipment. We are equipped with necessary Welding Machinery, Plasma Cutting Machines etc. The company has access to an excellent vendor base for raw materials and bought out components like Pumps, Valves, Instruments, accessories. With the support of vendors in technical documentation, delivery, price and quality we can execute projects under tight schedules and meet the delivery commitments.

The company possesses preliminary engineering to detailed engineering capabilities, system integration concepts, and familiarity with international standards and specifications. All the equipment manufactured by us undergo stringent checks from raw material, in-process to finished goods as per approved quality plans. The equipment undergoes stage and final inspection by reputed TPIA. We deploy skilled and certified personnel during manufacturing to ensure adherence to the quality system.

The company believes in proactive communication, transparent status reports, customer-centric and responsive culture to manage its projects effectively and meets the stringent project delivery schedules. We extend guarantee / warranty for our goods and services as per customer's project requirements. We adopt technologies that reduces the adverse impact on environment.

3 Representative List of Products and Services

3.1 Fabricated equipment

- Tanks (Above ground / underground diesel storage tanks, bulk storage tanks for chemicals, day tanks, raw water and treated water storage tanks etc.)
- Vessels (Condensate tank, pressure vessels, sand / carbon / dual media / multigrade filters, softeners, mixed bed etc.)
- Piping (Interconnecting piping including inlet, outlet, drain, overflow and vent pipe spools, frontal piping for filters, RO / UF piping, Skid piping spools etc.)
- Structural (Base frames for skids, ladders, platforms, culvert bridges, staircase, handrails gratings, pipe supports, cable tray supports etc.)

3.2 Industrial projects

- Skid mounted packages
 - a) Chemical injection packages / dosing systems
 - b) Pumping systems
 - c) Circulation systems
 - d) Filtration systems

- e) Flushing and cleaning systems
- f) Blanketing systems
- g) Produced water treatment systems
- h) Heating and cooling systems
- i) Lube oil pumping and cooling systems
- j) API Plans
- k) Polymer preparation systems

- LDO / HSD storage, transfer and pumping, heating systems
- Phase separator packages
- WTP, ETP Air pollution control equipment

3.3 Accessories

- Agitators
- Static mixers
- Pulsation dampeners
- Calibration columns
- Dissolving baskets
- Simplex and duplex filters
- Filtration screens
- Bought out items like pumps, valves, motors, instruments control panels etc.
- Sub-assemblies and assemblies as per customer design

3.4 Services

- Design, Engineering including calculations (through associates)
- Site installation (if it is part of supply contract)

4 Partial List of customers

- Major
 - a) Flowserve Sanmar Pvt. Ltd, Chennai
 - b) Altec Industries Inc, USA.
 - c) Armstrong International, Chennai (HQ U.S.)
 - d) AECOM, Chennai (HQ U.S.)
 - e) Paques Chennai (HQ Netherlands)
- Others
 - a) CP Aquaculture Chennai
 - b) Ferrotech structural Chennai
 - c) Eimco KCP Chennai
 - d) Welcon Equipments Chennai
 - e) Global Enviro Systems Chennai
 - f) Rajeevni Infra AP

5 Company information

- Type of company: Private Limited
- Address: Door # 7/281, Kamatchiamman Nagar, Vanagaram, Chennai 600095 (Near Captain TV)
- Number of Directors: Two
 - i) P Krishnamurthy (Operations)
 - ii) S Latha (Admin & Finance)
- Registration details:
 1. CIN Number: U29242TN2013PTC089871
 2. GST Number: 33AAMCA6092P1Z2

AURA INDUSTRIAL EQUIPMENT AND PROJECTS PRIVATE LIMITED

Shed No. 7, Door No. 281, Kamatchi Amman Nagar, Vanagaram, Chennai-600 095.

Phone: +91 44 2476 4706, GSTIN : 33AAMCA6092P1Z2

3. PAN Number: AAMCA6092P
 4. IE Code: 0415001391
 5. TAN Number: CHEA21302B
- Factory Space: 9983 Sq.Ft (Covered) with Concrete floor
 - Office Space: 2220 Sq. Ft with Meeting room and LCD projection facility
 - IT Infra: Office 365 license, Tally ERP, Autocad and Solidworks
 - Partial list of machinery:
 1. Welding machines (TIG, MIG) – 6 numbers
 2. Plasma cutting: 1
 3. Adequate Set of hand tools AG7, AG4 etc.
 4. Hand shearing, Bend removal press one each
 5. Hydro pump upto 300 Kg/cm² (Plunger type motorized)
 6. Drilling Machine 1
 7. Lathe 1
 8. Fit up tables, Pickling & Passivation, Degreasing tanks, DM Water storage tanks
 9. Hydraulic Pipe Bending Machine 1
 10. Plate Rolling Machine 1
 11. EOT Crane 5T: 1
 - Partial List of Gauges and instruments
 1. Dial Vernier caliper (1), Digital Vernier caliper (1), Screw gauges (2), Micrometer (1)
 2. DFT Gauge for paint thickness (1)
 3. Pressure gauges for hydro test (4)
 4. Welding fillet, root gap and reinforcement gauges
 5. PMI machine
 - Number of employees
 1. Direct (Office staff and Engineers): 7 (Level II certified Engineers 1)
 2. Contract (Workmen): 22 (Skilled 10; Semi-Skilled 8; Helper 4) (*Additional manpower available at short notice based on workload*)
 3. Buffing contractor: 3-4 workmen as & when job is ready
 - Certification: ISO 9001 2015 Certified & DUNS Registered

6 Financials

Year	Revenue (M INR)
2022-23	146.3
2021-22	98.2
2020-21	64.8
2019-20	43.0
2018-19	42.6
2017-18	34.6
2016-17	29.9
2015-16	7.1

7 Bank Details

- Bank: IndusInd Bank, Chennai-Valasaravakkam Branch
- Finance Facility: 14 M INR OD
